There will be increased cleaning of all high-contact surfaces.

Catering staff will wear appropriate PPE to protect staff and delegates.

FACILITIES AND LOGISTICS

Fresh air ventilation is provided in all rooms to reduce potential viral load.

Room capacities have been reduced by approximately 75 per cent to meet 1 metre+ distancing and will be kept under review to meet recommended guidelines.

Deliveries of event materials must be made at least one whole business working day (Mon–Fri) before the event.

Event organisers must collect/pack meeting material for return to their office on the same day, as we are currently unable to offer any storage facilities. Couriers can collect items until 8.30pm.

Pads and pencils will be provided on request only.

Tablecloths will not be used.

Unmanned cloakrooms are located adjacent to each theatre. Coat trees will be available in small meeting rooms.

Toilets are located on each floor. Delegates will be asked to use the toilets on the same floor as their meeting room.
