Just a brief note of huge thanks for the tremendous organisation behind our wedding on Saturday. Everything went so smoothly and there was such attention to detail. The catering service provided during the meal was excellent and the room set up was spectacular.

Thank you very much for all of your work on this over recent months and particularly on the day. It has been great dealing with you and we have always felt things were in safe hands.

In summary, just big thank yous all round. It was a wonderful day.

We would also appreciate it if you could send a big thank you from us to the executive chef. The food was superb. To have the full-scale version of the meals we had chosen was great! The standard of presentation, combination of flavours and the cooking of the steaks was fantastic. So many people commented at how much they had enjoyed the food. I had an email from a friend today who said their husband had commented that it was the best steak they had ever had. That is something for over 50s!
