I just wanted to say thank you SO much for last night. It was great – best one yet I think! The venue looked amazing (I loved the Christmas tree forest). The food was really really good... we have had numerous compliments about it. One thing I did want to comment on were the staff, they were fantastic. They were attentive from start to finish and really went that extra mile... good team!

Christmas at No.11 Cavendish Square
Let's toast to tradition

Enjoy a sparkling festive occasion with a classic three-course seated dinner created by our award-winning Head Chef Toby Windsor in our stunning Orangery or contemporary Burdett suite.

Our Glitz in St Moritz package includes exclusive use of our Grade-II listed Garden Room, Orangery and Courtyard from 6.00pm until later, along with a selection of mouth-watering dishes. We have catered for those looking for a traditional Christmas celebration with our festive three-course seated dinner menu, complete with traditional roast turkey with all the trimmings and Clootie pudding. Alternatively, choose from our chef’s own signature dishes, which combine balanced ingredients, flavours and textures, for a captivating dining experience.

On arrival, you’ll be welcomed with a festive cocktail and sparkling aperitif immediately transporting you to the quaint scenic surrounds of Christmas in Switzerland. Combine this with a dedicated event manager, an unlimited drinks package, a DJ and dance floor complete with atmospheric lights, novel centrepieces and themed styling, and all is set for a festive celebration not to be forgotten.

Selection of one dish from the starters and main course options is required for the whole party. For dessert, choose either one option plated and served to the table, or for a more modern twist, choose three items that will be available on the dessert station.
